**SEC. 28-207. NOTICE OF NUISANCE AND ABATEMENT TO LEGAL AND REGISTERED OWNERS AND LIENHOLDERS.**

(a) In general. When a street racing or reckless driving exhibition violation occurs causing a vehicle to be declared a nuisance and subject to abatement under this division, the chief of police shall ascertain from the Texas Department of Motor Vehicles the names and addresses of all legal and registered owners and any lienholder of record of that vehicle.

(b) Notice of nuisance and abatement. The chief of police shall send a notice by certified mail, return receipt requested, to all legal and registered owners and any lienholder of record of the vehicle proposed for abatement. The notice shall be sent to the addresses obtained from the Texas Department of Motor Vehicles.

(c) Personal service of notice of nuisance and abatement. If a legal or registered owner or lienholder of record was personally served a notice at the time of the violation which caused a vehicle to be subject to abatement under this division, and the notice contains all the information required to be provided by this section, no further notice is required to be sent to that owner. However, a notice must still be sent to any other current legal or registered owners or lienholders of record of the vehicle, if any.

(d) Contents of the notice. The notice must contain the following:

(1) Statement informing legal and registered owners and any lienholder of record of the vehicle that the vehicle will be declared a nuisance and abated by the city subject to Chapter 28, Article XIX, Division 2 of the Dallas City Code, and will be sold or otherwise disposed of pursuant to this division;

(2) A description of the vehicle including, if available, the year, make, model, license plate number, and vehicle identification number;

**SEC. 28-208. ADMINISTRATIVE ABATEMENT OF NUISANCE.**

(a) If no responses opposing the nuisance and abatement are filed and served within 15 days of the mailing of the notice pursuant to Section 28-207(b) or within five days of personal service of the notice pursuant to Section 28-207(c), the city attorney shall submit a motion for default judgment for the nuisance and abatement of the vehicle by the city.

(b) A copy of the motion and order of the nuisance and abatement must be provided on written request to any person informed of the pending abatement pursuant to Section 28-207.

**SEC. 28-209. JUDICIAL ABATEMENT OF NUISANCE PROCEEDINGS.**

(a) If a response opposing abatement is timely filed and served with the city attorney, then the city attorney shall file a petition for nuisance and abatement with the appropriate court within 10 days of the receipt of the response.

(b) The city attorney shall request a hearing date and send notice to the legal or registered owner and any lienholder of record.

(c) The court filing fee established by the court, not to exceed \$50, shall be paid by the claimant made payable to the city, but shall be reimbursed by the city if the claimant prevails.

(d) The filing of a response opposing abatement within the time limit specified in this section is considered a jurisdictional prerequisite for initiating a nuisance and abatement proceeding. A proceeding in the civil case is a limited civil case. The city attorney shall have the burden of proof that the vehicle constituted a nuisance pursuant to this chapter by a preponderance of the evidence. All questions that may arise must be decided by the court and all other proceedings must be conducted as in an ordinary civil action. A judgment of abatement does not require as a condition precedent the conviction of a defendant for the current violation which gave rise to the nuisance and caused these abatement proceedings to be

initiated. (Ord. 31540)

**SEC. 28-210. JOINT PROPERTY INTEREST RELEASE.**

If at the time of the violation there is a joint property interest in the vehicle to be abated, and at the time of the violation the vehicle is the only vehicle available to the registered owner's immediate family that may be operated with a valid class C driver's license, the vehicle may not be abated upon compliance with all of the following requirements:

(1) The registered owner or the joint property interest owner requests release of the vehicle and the owner of the joint property interest submits proof of that interest;

(2) The registered owner or the joint property interest owner submits proof that the vehicle is properly registered pursuant to the Texas Transportation Code;

(3) All towing and storage charges and any administrative charges authorized pursuant to Section 2303.155 of the Texas Administrative Code and Section 48A-43 of the Dallas City Code are paid; and
